

I'm not robot!

Learn about indirect characterization with this printable worksheet on making inferences and understanding character traits. This classroom activity is great for students looking to practice their reading and inferencing skills. Download and print for use both at home or in the classroom. You can create printable tests and worksheets from these Grade 1 Making Inferences and Drawing Conclusions questions! Select one or more questions using the checkboxes above each question. Then click the add selected questions to a test button before moving to another page. Sample Conclusions & Inferences Worksheet English-Language Arts WorksheetsS.T.W. has thousands of ELA worksheets for elementary students, including reading comprehension passages, phonics printables, spelling lists, writing prompts, and grammar worksheets.Main Idea WorksheetsOn these worksheets, students determine the main idea of reading passages.Compare-Contrast WorksheetsCompare and contrast books, pictures, and reading passages with these worksheets and graphic organizers. Illustrations in fiction texts create visual images that help students understand what they are reading. This worksheet helps students practice fiction comprehension by asking them to look at images and circle the sentence that best describes what happened in the pictures. Making inferences is an important skill for young readers to master, especially those in the first grade.
